This will load all of the Radiology the patient had done during this encounter. From this screen you will want to click on the icon located next to the word "Radiology". This will load the PACS image.

Below is the loaded Radiology image.

The screenshot shows a web browser window displaying a radiology image viewer. The browser's address bar shows the URL https://pcn.mclaren.org/imclinical/chart_listing.asp. The page title is "WEBSTER MARY ANNE 2006 May 10, 14:40 - Amicas Image Viewer - Microsoft Internet Explorer". The main content area displays a chest X-ray image with the text "SemiErect PORTABLE" and "14.41 [V=4096,L=2047]". The image is displayed in a window titled "Amicas Image Viewer". The browser's status bar at the bottom shows "Applet AmicasViewer started" and "Local intranet".
